

Stay home.
Game for the NHS.
Save lives.

Top fundraising tips to up your game

- 1** When setting your date give yourself enough time to promote it and get your followers on board.
- 2** Think about the challenge you will stream – will it be a marathon or will you set yourself a challenge.
- 3** Think about whether you will add fun challenges within the streaming – with no add ons, no equipment etc.
- 4** Set up your JustGiving page following this link - www.justgiving.com/fundraising-page/creation/?cid=183177&eid=6633412
- 5** Make your JustGiving page exciting with your story, why you are doing this and ad photos.
- 6** Set a fundraising target – it helps you to meet it.
- 7** Be the first to donate to your page – it encourages others.
- 8** Use the social media assets in your pack on your social channels.
